EFAP Update - Third Party Counselling

Dear Sisters and Brothers,

On behalf of the Employee and Family Assistance Program, I hope that you and your families are keeping well during these difficult times. As COVID 19 numbers begin to climb again, the only certainty right now seems to be continued uncertainty.

It is with this in mind, that during a meeting of the National EFAP Committee this morning, we unanimously agreed to extend the Third-Party Counselling from Homewood Health, until June 30, 2021.

These services are extended to all Air Canada IAMAW members, no matter your current status with the company. For further information, I ask that you contact your Regional Coordinator or any EFAP Rep.

In solidarity,
