TO ALL IAMAW MEMBERS EMPLOYEES OF AIR CANADA EFAP UPDATE

Dear Sisters and Brothers:

After discussing with the EFAP National Committee, we have decided to extend the Third-Party Counselling from Homewood Health Services. Access to these services will be extended to the end of 2021 and are available to all Air Canada employees and their dependents. This includes members on lay-off and off-duty status of the IAMAW.

Further, we have made arrangements for Homewood's Services to include legal and financial counselling. The services for legal and financial will be capped at five sessions per family. This will allow for five hours of legal or financial advice from a lawyer in the field you are requesting or a financial counsellor.

The phone numbers to contact Homewood are, for French 866-398-9505 and for English 800-663-1142.

As always, your previous program remains available to all members who choose to continue with the ClaimSecure approach to their counselling needs. You may also combine the two programs and use ClaimSecure for your therapeutic counselling and seek Homewood Services for legal and financial.

If you have any questions, please do not hesitate to contact my office or that of your Regional Coordinator.

In solidarity,

Derrick Bashford
